16. Provisional results are posted after each race in race control with published resulted posted on ers via UK Karting and HKRC website. Results are determined by position of competitor completing the agreed number of laps. In the event of a tie in points awarded, then the highest grid position will be decided. Grid positions for the heats will be determined by ballot to be carried out at the complete discretion of the organisers. Grid positions for the final will be determined by the combined heat results. In the event that the finals cannot be completed the results, and championship points, will be determined on the calculated grid position for the final. Should there be a tie for final position. If there is a tie for Championship points the winner will be determined by the highest number of finishes. Non-attendance at a round does not prevent that round being dropped, but if a driver is excluded from a meeting that round cannot be classed as a dropped round. In the situation when officials are only able to run three heats because of poor conditions or lack of time, a tie on points will be resolved by the result from the first heat.
17. Protest regulations can be found in section C(d). 2010 MSA yearbook.
18. Other than driver and mechanic there is no access to remove kart from parc ferme post race.
19. Two engines and one chassis may be submitted for scrutineering for use by each driver for each race meeting. Prior to the start of the first race of the meeting a driver may, with the permission of the Clerk of the Course substitute a chassis or engine provided that such engine or chassis has been scrutineered. During the meeting the Clerk of the Course may, subject to scrutineering, permit the substitution of the chassis where the original chassis has been damaged beyond repair during practising or racing. On practice day, once scrutineering has been completed, no further practice is permitted for that day. All karts must be race prepared before being taken for scrutineering. If race numbers are required to be changed by a competitor, written instruction must be given and numbers changed before next race and confirmed by a scrutineer. All karts and engines must conform to the information appearing on scrutineering cards, which must be signed by the driver (unless the driver is under 18, then the scrutineering card must be signed by the parent or guardian responsible for the driver) and by the scrutineer
20. Only one set of slick tyres are permitted per meeting, to include official practice. The organisers may mark tyres at any time. You may only change two tyres (one front and one rear) if either damaged or punctured, and after having them checked by a scrutineer. If the Clerk of the Course or Chief Scrutineer decides that kart tyre performance has been enhanced, then the club has the authority to ask for another set of tyres to be used at the competitors' expense. Under no circumstances may tyres be left at the circuit
21. Drivers must place their karts on the dummy grid one full race before their next event and remain with their kart until their race starts. The dummy grid will be closed after the preceding race has left the grid and competitors not in position at this time will be placed on the back of the grid.
22. In the event of a red flag or major incident the HKRC Ltd Major Incident Plan will come into operation as per the displayed copy that is posted in the clubhouse.
23. All entrants are responsible for the members of their supporting team, relatives and friends, for the proper positioning of the vehicles and equipment and for their proper use of all club facilities. Drivers will be excluded from the meeting if they, or any members of their team, are found damaging crops, any part of the track or surroundings; breaching these rules, or in any way conducting themselves contrary to a standard reasonably expected such as abusive or threatening behaviour to any HKRC official will result in a LIFE ban.
