Hunts Kart Racing Club 50th Anniversary Year 1959-2010 FEBRUARY 2010

WELCOME TO ALL COMPETITORS to the **FEBRUARY** meeting the first of 10 Club rounds for **2010 HKRC CLUB CHAMPIONSHIP**. With the 9 highest scores to count. The February and March meetings will be two heats and final for each class with increased laps dependant on weather and entries and return to three heats and a final until November 2010.

This year the Club is able to run laps and timed plus one lap for heats and finals. This will allow the race day to run at an improved format and give a high level of track time depending on the time of year. For the FEBRUARY meeting the RACEDAY format will be timed heats and finals plus one lap.

RACE ENTRIES. Please would competitor's application for race weekends be sent early to enable the competition secretary more time to prepare for the race weekend.

ALL COMPETITORS from the February race meeting please bring your transponders to signing on to check the numbers. This will avoid delays and any issues occurring during race day

2010 HKRC MEMBERSHIP PACKS The packs are available for collection. Costs for 2010 have been reviewed, and the Club has only one increase which is membership race fee from £43 to £45

ALL PITBAY holders issued with a permit must display to enable the Club to ensure that competitors are parked in their correct bays. The permits will be handed out by HKRC officials or can be collected in race control over the race weekend. All Tarmac bays have been hired for 2010 and there are presently only a few concrete bays available for weekend rent or annual hire. **VACANT PIT BAYS** can be rented for £20 per weekend, please visit race control for availability

IMPORTANT NOTICE REGARDING PITBAYS. Due to plans for 2010 there may be some pit bays that may not be available for 2010. Please ask at Race Control for details. Existing Pit bay holders have **FIRST CALL** on their existing pit bay. IF the decision has not been agreed upon the **DECEMBER RACE MEETING** then the pit bay will become available.

All news and Club information can be found on the HKRC website www.hkrc.co.uk

TYRE DISPOSAL. Tyres are still being left on site at race meetings. The situation is improving which is greatly appreciated by the Club. The club asks that this continues which will delay any decision on passing on disposal costs to the Competitors.

Please take the tyres with you or pay a £3 fee per set of tyres to any of the kart traders or the maintenance team who will be able to dispose of them.

Over the **FEBRUARY** weekend HKRC Officials will be walking around the paddock checking on tyre disposal.
